Instructions:

1. Cut out the cover insert, on page 1, around the outer perimeter. Do not cut along the center.
2. Fold the cover insert in half, with the text on the outside.
3. Insert the cover insert in the CD case cover.
4. Cut out the tray insert, on page 2, around the outer perimeter.
5. The right-most long narrow title "tab", on the tray insert, is for CD case with a transparent tray. Remove this "tab" if the CD case has an opaque tray.
6. Fold the left and right long narrow title "tabs" to a 90 degree angle, away from the main tray cover portion. If the right-most "tab" is retained for a transparent tray, fold that "tab" 90 degrees again, away from the title "tab" next to it. The text should appear around the exterior of the folded cover, not the interior.
7. Remove the tray from the case.
8. Place the tray insert in the case.
9. Insert the tray, being careful that the title tabs are flat against the case.
10. Please appropriately discard this portion and the scrap bits of paper.

## Mary Elizabeth Braddon

### Vixen

This is an exquisite and heartbreaking love story. Violet Tempest and Roderick Vawdrey, otherwise known to each other as Vixen and Rorie, are childhood sweethearts. However, Rorie's family wants him to marry elsewhere. You may think it is the old story all over again, but nothing in this novel is what it seems. It is far too realistic for that. Many books talk about falling in love. This book starts after that stage, and speaks about the harder stage of a relationship: loving earnestly but understanding that love – even in the truest and purest sense – is not everything in life. There are duties to fulfil, and they might have nothing to do with love. Family life plays a large role in this novel, and it is not always warm and good. Many of the characters are strong and complicated. The novel has some feminist ideas, but they have boundaries, and are presented side by side with the conventional ideas of the times. But the signs of change are there ... loud and clear. (Summary by Stav Nisser)
